3rd Sunday of Lent - 20th March 2022 (YEAR C)

Reflection ...

The resource I use to help couples prepare for marriage has questions for them to think about and discuss in between sessions. One of the questions at the end of one of the chapters is, 'What effect would adultery have on your marriage?'

In one sense this hypothetical question is absurd. Dealing with the consequences of any sin requires time and place, context and contrition. It is even tougher to imagine the effect of any destructive behaviour in one's marriage even before the marriage has begun. Still, it never ceases to amaze me how this question usually leads the couple to have a very fruitful and frank discussion, not about adultery, but about their values, family history, commitment, fidelity and growing old together.

Sometimes, however, I cringe when the prospective bride or groom seems to give the green light to their future spouse by saying, 'Well I guess if he or she went looking elsewhere it would be my fault' or 'I love him or her so much that I know we could go on regardless'. Others say very clearly that it would alter the trust and respect of the relationship, but they hope they could look at the circumstances and rebuild the relationship.

The most mature couples do not wipe over the seriousness of the sinful action, but want to hold on to compassion, forgiveness and a commitment that it will not happen again.

Couples like these have clearly understood the power of today's readings. The third Sunday of Lent is all about second chances. In Exodus we have a bush that is alight but does not burn and in Luke we have a fig tree that does not bear fruit, is earmarked for the chop and saved by the gardener. In both cases where we would expect to find destruction we find new opportunities for growth, nurturance and flowering.

Over the centuries the goodness of God that always gives us another chance has not been proclaimed as vigorously as it should have been. We have focused on God's justice as though it was a once and for all, shape up or ship out sort of message. These ideas can be deduced from today's second reading where Paul seems to argue that God killed the chosen people for their complaining and infidelity.

Paul was a tough man and for him Christian commitment was no picnic. He was aware of how people were suffering and dying for the Gospel, so he was at pains to teach the people of Corinth that the commitment demanded from the Gospel could entail everything they had. His reading of why the Israelites died in the desert, however, needs to be read against the second chances of the other readings, especially the Gospel.

We believe in Lent that we enter a holy time in our year and visit a holy place in ourselves where the fire of God's love should burn brightly within us. We are offered these weeks to re-examine our values, family history, commitment, fidelity and growth so as to chart how best we can grow old with God. To do this sometimes requires facing up to our sinful behaviour and making choices to change our lives. We can only do this when we trust that the fire of God's love is not about destruction, but compassion, forgiveness and a second chance.

May this Eucharist be nurturance for the foundations of our lives and a moment to take stock and to assess with honesty the fruitfulness of how, as a sign of Christ's light within us, we live out our faith in our marriage, at home, at work and in the world.

Third Sunday of Lent 19 & 20 March

Janice 44, is a proud Wagilak woman, a traditional dancer, living in a remote community in the Northern Territory. As elders grow older and pass away, she knows she must share her knowledge with the younger generation. However, the community faces multiple challenges, including a lack of jobs, limited educational opportunities, and socio-economic which can lead to young people becoming disconnected from culture.

With your help, Caritas Australia supports Djilpin Arts Aboriginal Corporation, which operates a centre for traditional and contemporary Aboriginal arts and culture, providing employment and generating income for local communities.

Please donate to Project Compassion 2022 to help young people succeed in the future and bring stability to vulnerable youth like Anatercia.

Together, we can help vulnerable communities face their challenges today and build a better tomorrow **For All Future Generations**.

ST ANTHONY'S SCHOOL NEWS RETIREMENT OF LORRAINE SEARLE

Mrs Lorraine Searle, our school secretary, has decided to step down from her secretarial role at St Anthony's School. Lorraine is currently on Long Service Leave and will officially retire in mid-March.

Lorraine's has had a long and personal connection to St Anthony's and the wider Kedron Parish. This began as a parent during the period from 1975-1987; In 1985, the

then Principal, Sister Teresita, invited Lorraine to become a Teachers' Aide. Lorraine then devoted a record 36 years to a role she has loved and still loves today!

I know that Lorraine is incredibly proud of her grandchildren. All 10 of them attended St Anthony's with her youngest grandson, William Loth farewelled from St Anthony's at the end of last year.

Lorraine's contribution to St Anthony's School is enormous. We congratulate Lorraine and wish her good health and happiness as she moves to the next phase of her journey. She will certainly be greatly missed!

Something for the Kids...

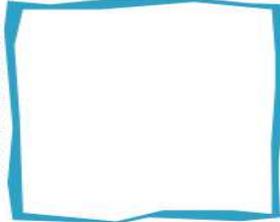

3rd Sunday of Lent, Year C

Jesus told his followers the story of a fig tree that would not bear fruit. The gardener said he would try hard for one more year to help it grow. God wants us to try hard so that we too can grow, and 'bear fruit'. What are four things you can do during Lent that help you be a better Christian and bring you closer to Jesus?

Jesus told parables to help his followers understand his teachings more clearly. Can you draw pictures from three different parables?

Can you spot the eight differences between these two pictures?
